maximum of service, will not be signate. It is much to be feared that it spent the sheet of the street of Government officials at Otto Cavan' 1. Keep the Canadian half of the blees open after the United States open after the United States and the States. That surely is an oversight it is can be done, the resultant benefits to the Canadian grain trade and to Canadia generating though to find the Herald speaking so compleaently of Canadian grain being "poured into the Buffalo and New York terminals". We will be sufficiently surely the find the Herald speaking so compleaently of Canadian grain being "poured into the Buffalo and New York terminals". We will be sufficiently surely the find the Herald and is almost it immaning it is the solemn convicient of the First States. And unless the English langage has lost it immaning it is the solemn convicient of the Herald and is almost terminal friends that to allow Canadian grain fread to the continued existence of the British English langage has lost it immaning it is the solemn convicient of the Herald and is almost terminal friends that to allow Canadian grain fread the treatment of the Herald and is ministerial friends that to allow Canadian grain to reach Europe to convert the that the gentlemen who are elected to preserve Canadian channels are not only tolerating its diversion of the Canadian channels are not only tolerating its diversion. The convert is that Canadian the Canadian channels are not only tolerating its diversion of the British European which the Ministers attained power, and that they must cliently an oppose to have them built in costs more to facilitate such diversion? And the work of the British European truth, of course, is that Canadian the work of the British European truth, of course, is that Canadian the work of the British European truth, of course, is that Canadian the work of the British European truth, of course, is that Canadian the work of the British European truth, of course, is that Canadian truth to Canadian channels are not only tob

thus as wes the country from the full effect of their mistaken judgment.

But if it is a good thing to turn Canadian wheat into the terminals at turfais and New York, why not at Minneapolis and Cheago! Why should the grade of the Canadian railway, and boats all the way to Lake Erie if it is there to be turned over to United States routes! It most in the East, but in the West that the Assistance of the United States routes it enter the Ministers do not intend to be that assistance he secured.

MR. BORDEN'S NAVAL PROPOSAL

Viewed in the "cold grey light of the morning after," Mr. Borden's substitute for a naval policy presents some aspects which must seem eurious to every one, and

H. E. ROGERS, C. P. A.

TO HOLD TO THE PRINCIPLE OF A CANADA NAVY

iberals Unanimously Approve Laurier's Amendment to Borden's Naval Policy.

DEBATE WILL CONTINUE AFTER CHRISTMAS RECESS

Sir Wilfrid Will Make Public His Amendment at Conclusion Of Speech.

Ottawa, Ont. Dec. 11.—Inheritable Delta accorded casetas the morning to consider the policy to be adopted it regard to the government's nava regard to the government's nava consideration. All the control of the contr

The amendment will declare it favor of the principle of a Canadia navy, and will condenn Premier Borden's plan in its present form.

It is not likely that it will be made public antil Sir Wilfrid submits it to the House on the conclusion of his speech. It is stated that the Opposition during the course of the debate will not take exception to an emergency sift as much as they will describe the state of the state of the control of the state of the between Canada and the mother country.

No decision as to now far the Opposition will press its proposed amendment will be arrived at, it is understend, until after the Christman holidays. They will wait to see how the anventments, proposal strikes the country six weeks hence. For that, the country six weeks hence, for that, the results of the country six weeks hence, the results at conclusion before the Christmas holidays.

Subsequent to the caucus this morning, the Liberal ex-ministers met is Sir Wilfrid Laurier's office to consider the form the proposed amendment will take,

London, Dec. 11.—Sir. Newton Mores, agent queenst of Western Australia, speedking here today, said that the tendency of Canada's contributory naval policy mieth eshably as reliable to irritain ata-payer without sirengthin the irritain ata-payer without sirengthin avail ascheme enlisted right there in naval ascheme enlisted right there in Australia, sympathy and actual cooperation in the Imperial cause, which was more than a more money con-

THE ROYAL GEORGE
BACK AT OVEREC

Quebec. Dec. 11—The Royal George returned to the Louise basin yesterday afternoon after starting for Hallfax. Up to the time of wiring it is impossible in secure and it is impossible in secure and it is impossible in secure and the impossible in secure and are three reports. One is that she was found to be unseaworthy, another that the wrecking firms who got her of had put seizures on her and a third that all arrangements to

PARISIAN MYSTERY CAUSES SENSATION

Mysterious Disappearance of Former Surgeon General's Daughter Puzzles Re'ulives and Police—Bod; Has Been Found in Fontainebleau

Versailles, France, Dec. 11—A profound sensation has been caused by the news that the body of a youn woman found in the depuis or the forest of Fentainebleau two days as has been identified as that of Gabrielle Eude, the daughter of a distinguished retired surgeon general, wh

resides here.

The stri disappeared two month
The stri disappeared two month
The stri disappeared two month
She left home October 10th on a visito her uncle at 81. Quentin. The sam
night her parents and her uncle received telegrams filled at Paris, say
Quentin and would remain for it
night in Paris. Since that date sh
had completely vanished, and all efterts of the police falled to reveal as,

trace of her.

The postal officials said that the telegrams were handed in by a man and the police at first concluded that it was a case of elopement. The relatives of the girl, however, utter; scouted this, saying that she was of irreserved, and serious character.

Purther evidence that it was Mile Bude's intention to go to St. Quentiu is supplied by the fact that a railread ticked for that city was found on the bedy. The members of the family believe that she was the victim of individual to the supplied by the fact that she had only twenty france when she left home, it an absolute mystery.

WILL CUT TIES FOR E.D. & B.C. RAILWAY

up Afhabasca River—The C. N. R. Moves Into New Station—Mild Weather at Gateway to North,

Athabasca, Dec. 10—The Cornwall-Cauthler Lumber company has the past week sent crews and outlits up the river to their several lumber camps, for the winter operations. They bold a large contract for ties from the Edmonton, Durnegan & British Co-

ties, the rompany will cut considerable timber for use in the town.

The C. N. R. moved into their new station here the past week. This station is a credit to the town, and indicates that the company has a high ard for the future of the town. The station is of the second class type, be-

sag exactly similar to the Edmonton station, with the exception of relaging built of frame instead of brick. The histories is of the highest outer, hardwood floors' throughout, and prasecred walls. Agent Mills may well feel proud of this nome, the rooms supplied him, over the station are very construction. Work commenced the past week or the calculation are very construction.

there harsonage. The trustees detided to enlarge the present parsonage at a moderate cost rather than walt until next year, to construct a new one on the new grounds where the church is located.

The C. N. R. water tank is being rapidly constructed at this point. It is a short distance west of the station, and the water is supplied by Muskeg

The weather the past few weeks has been extremely mild, too mild for this business of the tows. Prejighter from the west have not been able to come in, as the river is not yet sife for travelling. Snow is also needed Wean the cold weather and mow set in, there will be a tremendous rust from the north country. The mercha

HAMILTON WILL SHOW SOME APPRECIATION

FUTURE BOXING EXHIBITIONS IN EDMONTON MAY BE MADE "NO DECISION" AFFAIRS

Attorney General Cross Interviewed With a View to Forbidding Staging of Bouts and Suggests This Amendment—Will Probably Be Brought Up When House Meets.

There is a movement on foot in Edmonton to eliminate the boxing dame from this city. The movement royalized this week when their campaign when the horized game from this city. The movement royalized this week when the continue that continue the continue the continue that continue that continue the continue that continue the continue that continue th

hurtful to the game in many cities.

Mr. Cross added that it rested with the Chief of Police to stop any of the bouts if they verged on brutality or degenerated into prize fights.

This is practically a tacit admission on the part of Mr. Cross that no objection has been found with the boxing exhibitions put on by the Edmonton Athletic Citiculum, manager of John Bright, Canadian with the boxing exhibitions put on the part of the part year. It has generally been recognized in this eity and throughout the west that the bouts staged in Edmonton have been the cleanest, most orderly and the freest from bruther of have been the cleanest, most orderly and the freest from bruther of have been the cleanest, most orderly and the freest from bruther of seatures of such as the control of the control of

and objectionable features of probably any staged in Canada. The suggestions make by Mr Cross also make it appear probable that the theorem of the stage of the control of monton will be 15-round no de-cision affairs. This system has worked very satisfactorily in Sak-katoon and Wimiper, and with there have been no serious objec-tions to the decisions given Edmonton, it appears that the re-forquers believe that "no ed-cision" butts would be more satis-factory and bring the boxing game more within the scope of

game more within the scope of the law.

One of these behind the movement, when interviewed new the second of the law of t
